

Resilient Mind. Free Swing.

Your Golf Game Is *One Clear Fix* Away.

One fix per session. Not twenty swing thoughts.

01 THE POSITIONING

James Whitaker is a PGA Professional in Leeds who coaches golfers to play better with less in their head. Every session ends with **one clear fix** — something you can feel, repeat, and take to the first tee. **Progress beats perfection.**

02 THE ONE CLEAR FIX METHOD

01

See

We find what's actually costing you shots. Not a list. The one thing.

02

Fix

One change, one feel, one drill. Coached until it's yours, not just explained.

03

Play

You leave with a fix that survives the course, not just the mat.
