

# Your First *30 Days*

A simple plan to turn your coaching into a recognised, profitable business.

## THE BIG IDEA

*You're not "another golf pro." You're the coach who gives golfers **one clear fix** — not twenty swing thoughts. That's what people will remember, recommend, and rebook you for.*

## THE FUNNEL

### How a stranger becomes a regular

The biggest leak is usually **after the first lesson** — so the follow-up matters more than the first sale.

## THE PLAN

### Your 30-Day Plan

#### **Week 1 — Get the foundation right**

1. **Homepage becomes a "One Clear Fix" landing page** — one headline, one booking button. No clutter.
2. **Create 3 offers only:** starter assessment · 3-lesson improvement pack · monthly check-in membership.
3. **Set up your ChatGPT "saved instructions"** — who you are, the One Clear Fix method, your tone, prices, locations. This 20-minute job makes everything else sound like you.

## Week 2 — Email that pays

1. **Build an email reply template** for enquiries and follow-ups. Reply within 60 seconds of an enquiry — speed is the single biggest lever on bookings.
2. **Post-lesson follow-up loop** — after every lesson send: the one clear fix, the drill, and a testimonial ask. Drives rebooking *and* builds proof.

## Week 3 — Get found locally

1. **Publish 4 local SEO pages/posts** around what Leeds golfers search: "golf lessons Leeds", "driver lesson Leeds", "custom fitting Leeds", "beginner golf lessons near me".
2. **Google Business Profile** — photos weekly, one post weekly, and a saved script for asking every happy pupil for a review.

## Week 4 — Build momentum

1. **Collect 10 testimonials** with handicap, problem, fix, and result — gold on your site and socials.
2. **Film once, repurpose everywhere** — one filming session, 6–8 clips. Each becomes a caption, a reel script, a post, and a blog paragraph. You film; the tool does the admin.
3. **Chase list** — once a week, nudge people who enquired but never booked, or haven't been back in 8 weeks. Found money.

## THE MONEY MODEL

# Escape time-for-money

The trap is selling only one-off lessons. The smarter ladder:

### **Starter assessment**

Gets them in the door

### **3-lesson pack**

Builds momentum

### **Monthly membership**

Recurring value — lesson  
credit + video review +  
swing check

Plus **online coaching** for people who can't get to Leeds, and **premium custom fitting** for higher-value clients.

## The One Rule

Keep James approving every customer-facing draft. ChatGPT drafts; you approve. That's how the voice stays yours and trust stays high.

## NEXT STEP

# Let's Start With Week 1
